1st Choice Auction Service is your first choice for auctions in Liberty, Casey County and throughout Central Kentucky. Our experienced staff can assist you with the buying or selling of real estate, farm equipment, automobiles, antiques, furniture, and more.

Steve Fox and Don Sweeney lead a team who can help you simplify the auction process. Whether this is your first auction, or you've been to hundreds, the 1st Choice team makes it easy to participate. If terms like "Absolute Auction," "Estate Sale," or "Buyers Premium" have you stumped, just ask! Auctions offer Real Estate, but that's not all. Looking to find timber, houses, farmland, cars (or vehicles of any type), barns, farm equipment, consignments, or Personal Property, an auction is a great way to purchase top quality items at great prices.

The best way to find out about an auction is to experience one. See the [Auctions menu item](#) for auctions that will take place soon and make plans to attend. We would love to meet you.
